A Message From The President  
Kenneth Lloyd

75th Annual PVA Convention

After a year and a half of being mostly quarantined, the National Board of Directors finally got to meet face to face. We met in Las Vegas, Nevada at the Golden Nugget. I am not a gambler, so it really was not my favorite place to be. They did have some good restaurants. But, most of the time we were in meetings.

All the reports were sent out before we arrived, so the Board was able to prepare their questions to the staff.

We approved the budget for the year 2021-2022 and elected our Executive Committee for 2021-2022. The President will be Charlie Brown. Senior Vice President is Robert Thomas. The four Vice President Liaisons are Hack Albertson, Tammy Jones, Josue Cordova and Michael Negrete. Treasurer is Tom Wheaton and Secretary is Marcus Murray.

The Board approved funding for the Yale Neuroscience and Regeneration Research Center and Human Engineering Research Laboratory (HERL). There was a doctor from each research center there to accept the check the Board had approved. Dr. Steven Waxman from Yale and Dr. Rory Cooper from HERL accepted the checks.

There were fifteen resolutions the Board debated and either passed or failed. Here are the resolutions.

Passed: Future Requirement to Change PVA Logo, Rules for BOD Meeting via Video Conference, Anita Bloom Women Veterans Health Committee Refined Name and Description, PVA Operating Reserve Fund, Processing Publicity Traded Securities, Reconstituting PVA Main Investment Reserve, Eliminating Disaster Relieve Verbiage, PVA Research Foundation Account, Chapter Grant and Chapter Program Expenses, Chapter Accumulation Net Assets, Peer Mentoring Program to Replace Chapter Hospital Liaison, Advocacy/Legislation Policy, and PVA Scholarship Program.

Failed: PVA Legislative and Disability Policy and Guidelines for Chapters Receiving Gifts.

If anyone has any questions about these resolutions, you can call me at 515-570-1402.

At the awards banquet, IPVA was presented the Duane Taylor Award for the Associate Member who has volunteered the most hours in one year over all 33 Chapters. Tish Simons donated 922 hours this year towards our members and our organization! And, this is not the first year Tish Simons has won this award! Thank you Tish for all you do for our members and so many other veterans!
2021 Turkey Hunt
By Kenneth Lloyd

Our Chapter sporting events have begun to get back to normal.

We held our Turkey Hunt in May this year. I think everyone is tired of being cooped up in their homes! There were four hunters this year and we had a volunteer for each of the hunters.

Unfortunately, no one got a Turkey, but it was nice to get back out in the woods again and the weather was nice. There was one guy that got a shot off, but he missed. I think he will be back to try again next year. Everyone saw turkeys but the volunteers could not call them into the hunters. Next year we will be moving the hunt back into April.

Watch the newsletter next winter and call to reserve your spot for the next Turkey Hunt.

If you have any questions about our hunts you can call me (Kenny) at 515-570-1402.
The Iowa Chapter hosted our 2021 Trapshoot Event June 11-13, 2021. Once again we had a great turnout and fun was had by all! It was our first outing since the onset of the COVID-19 pandemic and we had a total of 33 shooters which included 16 veterans, 10 PVA Members and 11 Associate Members! A huge thank you needs to go out to all of our volunteers, Otter Creek Sportsmans Club, Seibert Mobility, Becky Tranter and her crew, Mary Stalker, Patrick Cory, Diane Bowers, Jim and Dianna Russo and the City of Cedar Rapids. We are very excited to have been awarded the year end event for the 2022 Circuit! June 17-19, 2022. See you there!

Department of Veteran Affairs Debt Relief

Has Been Extended for Veterans

BY: Gus Gonzalez, NSO

Recently, the Department of Veterans Affairs (VA) has extended the debt relief for Veterans through September 30, 2021, due to the COVID-19 pandemic. VA will suspend collections of all Veteran benefit overpayments that incurred between the following dates, April 6, 2020, and September 30, 2021. No actions or collection attempts will occur during this deferment period. Furthermore, all copayments for medical care and pharmacy services from April 6, 2020, through September 30, 2021, will be canceled, along with any fees or interest. Any payments that you made during this timeframe may be refunded.

What will happen next:

Veterans will receive a letter from the VA Debt Management Center showing current debt amount as well available options if you have an overpayment. Letters will be sent out showing updates to Veterans’ accounts.

What Veterans can do now:

No action is required through September 30, 2021, for overpayments. If Veterans would like to resolve debts sooner, there are options they can utilize now. VA will work with Veterans to determine what option is best. Options include:

- Making a payment
- Establishing a repayment plan
- Submitting a compromise offer
- Disputing the debt
- Requesting a waiver

For additional information due to debt relief, you can visit this website: https://www.va.gov/manage-va-debt/, or by calling 1-800-827-0648.

If you have any questions concerning copayments you owe or may owe for health care and pharmacy provided prior to April 6, 2020, you can apply for a debt relief program. For more information on financial relief, Veterans can visit https://www.va.gov/COMMUNITYCARE/revenue_ops/Financial_Hardship.asp or call the Health Resource Center at 866-400-1238, Monday through Friday from 8 a.m. to 8 p.m. ET.

Department of Veteran’s Affairs will work with all Veterans who apply for debt relief to determine the best possible solution.

If any questions arise regarding VA benefits, please contact Gus Gonzalez, NSO @ 515-323-7544, or GustavoG@PVA.gov.

**The Mission Statement of Paralyzed Veterans of America**

*The Paralyzed Veterans of America*, a congressionally chartered veterans service organization founded in 1946, has developed a unique expertise on a wide variety of issues involving the special needs of our members—veterans of the armed forces who have experienced spinal cord injury or dysfunction.

PVA will use that expertise to be the leading advocate for:

- Quality health care for our members,
- Research and education addressing spinal cord injury and dysfunction,
- Benefits available as a result of our members’ military service,
- Civil rights and opportunities which maximize the independence of our members.

To enable PVA to continue to honor this commitment, we must recruit and retain members who have the experience, energy, dedication, and passion necessary to manage the organization and ensure adequate resources to sustain the programs essential for PVA to achieve its mission.

Benefit Poker Run, March 27
Jesse Forquer - an 11 year Army veteran, Brandon Wilson and Larry Poggenmiller - a Veteran, had big dreams of organizing a fund raiser for IPVA as they wanted to support our men and women veterans. They decided on a Poker Run to be held on March 27, 2021. Within 3 months, they had an amazing plan along with many other people and companies who wanted to help.

The Poker Run consisted of a start and finish at the Hitchin’ Post in West Point, Iowa. The Hitchin’ Post donated their time and space. There were eight stops at other nearby establishments consisting of…Bonnie’s Bar & Grill, Franklin Tavern, Sammy’s, Mt Hamill Tap, Phil’s Pub, Aggies on the Square, Corner Tap and Fourth Street Bar and Grill. An apparel company – Official Tinman (Richard Hansen/Montclair, CA) came and sold shirts which he then donated $5 for every shirt sold. Wilson Brothers BBQ (Andy Wilson and Kevin Britton) served delicious food and contributed 10% of their sales. The evening was concluded with a benefit auction, raffle and 50/50 along with a band to end the evening with music and dancing.

On the day of the event, over 300 people participated in the Poker Run and all had an incredible time! They charged $20 per person to attend.

On May 3, 2021, Jesse and Brandon came to the IPVA office and presented a signed flag (which we having hanging in our Board of Directors room) koozies and donations totaling over $11,000!!! They also explained they plan to make this an annual event!!

Isn’t it amazing what several people can do when they work together to…

“Serve those who Served”!

THANK YOU TO EVERYONE who made this event extraordinary!! Special Thanks to…
